

APPLYING GOD'S WORD IN OUR DAILY LIVES

Many people claim to be Christians, yet fail to apply principles of God's word in their daily lives. Applying "day to day" principles of God's word is more than attending church services and refraining from gross sins such as murder, theft, or adultery.

Improving The Application of God's Word In Your Daily Life

1. Decide to follow God's word in your daily life
 2. Study - 2 Tim 2:15, Acts 17:11; Jer 10:23
 3. Put your knowledge into practice (be a doer)

It is easy to forget about God's expectation for your daily life. God's expects you to honor Him with your life every day. Honor God by applying the day to day principles of Christian living.

Sincerely examine yourself to determine if there are any areas of God's word you have failed to apply to your daily life. Make new applications of God's word in your life.

*Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free.
